

Connecting to the Wireless Network (Eduroam)

eduroam allows staff and students to take their wireless devices to other educational institutions worldwide, that support eduroam, and connect using their De Montfort University username and password. You can access eduroam where you see this logo.

How to connect to eduroam using Apple OSX

These instructions are based on OS X 10.7 (Lion) and OS X 10.8 (Mountain Lion)

- Select **eduroam** from the wireless network list

- Now enter your username and password as below.

Username	<p>Students: P-Number@dmu.ac.uk e.g. P1234567x@dmu.ac.uk</p> <p>Staff: username@dmu.ac.uk e.g. fbloggs00@dmu.ac.uk</p> <p>Please note, this is not your e-mail address</p>
Password	<p>Students: Your MyDMU or Blackboard password</p> <p>Staff: Your Staff Portal or Blackboard password</p>

- click **Join**
- You will be issued a certificate from wireless.dmu.ac.uk

- If you wish to view the certificate, click **Show Certificate**

- Click **Continue**

Password Changes

If your password changes you will need to update **eduroam**

- Go to **Settings** and **Wi-Fi**
- Select **eduroam** and you will be prompted for your new password.
- Enter it and select **Join**

You will now be reconnected to eduroam. You will have to do this every time your password changes.

If you are having difficulties in connecting your device please contact:

ITMS Service Desk on Ext: 6050

Or

Itmsservicedesk@dmu.ac.uk
