

## Connecting to the Wireless Network (eduroam)

eduroam allows staff and students to take their wireless devices to other educational institutions worldwide, that support eduroam, and connect using their De Montfort University username and password. You can access eduroam where you see this logo.

### How to connect to eduroam using Apple OSX

These instructions are based on OS X 10.7 and newer.

- Select **eduroam** from the wireless network list

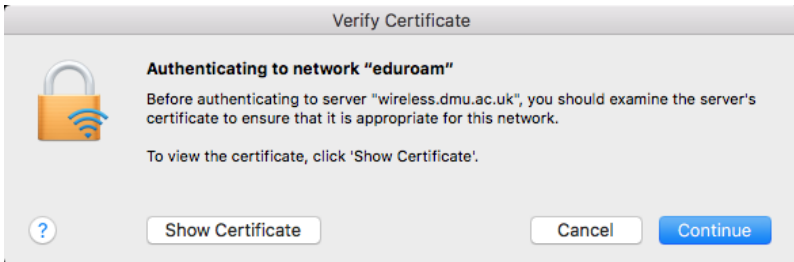

- Now enter your username and password as below:

<b>Username</b>	Your unique P-number found on your student ID card, followed by @dmu.ac.uk — e.g. P1234567x@dmu.ac.uk Please note, this <b>is not</b> your e-mail address
<b>Password</b>	Your MyDMU or Blackboard password

- click **Join**
- You will be issued a certificate from wireless.dmu.ac.uk

- If you wish to view the certificate, click **Show Certificate**

- Click **Continue**

## **Password Changes**

If your password changes you will need to update **eduroam**

- Go to **Settings** and **Wi-Fi**
- Select **eduroam** and you will be prompted for your new password.
- Enter it and select **Join**

You will now be reconnected to eduroam. You will have to do this every time your password changes.

If you are having difficulties in connecting your device please contact:
