

# Connecting to the Wireless Network (eduroam)

eduroam allows staff and students to take their wireless devices to other educational institutions worldwide, that support eduroam, and connect using their De Montfort University username and password. You can access eduroam where you see this logo.

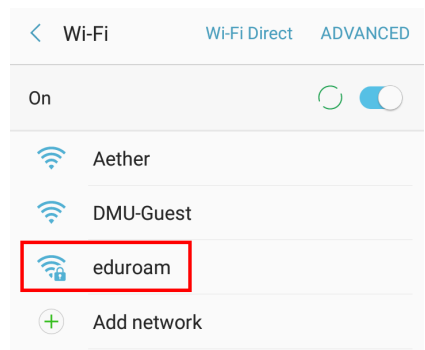

## How to connect to eduroam using Android phones & tablets

- From the main menu, tap **Settings**
- Now tap **Connections**, then **Wi-Fi**

- In the list of Wi-Fi networks, tap **eduroam**

<b>Username</b>	Your unique P-number found on your student ID card, followed by @dmu.ac.uk — e.g. P1234567x@dmu.ac.uk Please note, this <b>is not</b> your e-mail address
<b>Password</b>	Your MyDMU, DMUhub or Blackboard password

eduroam  
PEAP ▾  
Phase 2 authentication  
None ▾  
CA certificate  
(Unspecified) ▾

username@dmu.ac.uk  
Anonymous identity  
Password  
.....  
 Show password  
 Show advanced options  
CANCEL CONNECT

- Click **Connect**
- You should now be connected to eduroam Wi-Fi

### Password Changes

If your password changes you will need to update **eduroam**

- Go to your **Wi-Fi** settings
- Select **eduroam** and select **Forget**. Now follow this user guide again to setup with a new password.

If you are having difficulties in connecting your device please contact:

ITMS Service Desk on Ext: 6050 or Itmsservicedesk@dmu.ac.uk
