Connecting to the Wireless Network (eduroam)

eduroam allows staff and students to take their wireless devices to other educational institutions worldwide, that support eduroam, and connect using their De Montfort University username and password. You can access eduroam where you see this logo.

How to connect to eduroam using Android phones & tablets

- From the main menu, tap **Settings**
- Now tap **Connections**, then **Wi-Fi**
- In the list of Wi-Fi networks, tap **eduroam**
Click Connect

You should now be connected to eduroam Wi-Fi

Password Changes

If your password changes you will need to update eduroam

- Go to your Wi-Fi settings
- Select eduroam and select Forget. Now follow this user guide again to setup with a new password.

If you are having difficulties in connecting your device please contact:
ITMS Service Desk on Ext: 6050 or Itmsservicedesk@dmu.ac.uk
